

Supporting Teaching and Learning Level 3

This qualification provides learners with an understanding of the knowledge needed when working directly with children and young people in a school or college environment. The qualification covers elements including children and young people's development, safeguarding their welfare and communication and professional relationships.

□ Ideal if

You are working in a support role in a school or college.

□ You'll need

To have sufficient language, literacy and numeracy skills at the level required to support pupils' learning. Relevant skills and attributes include:

- Experience of working in a school
- Interest and commitment to working with children and/or young people
- Ability to relate well to children, young people and adults
- Willing to reflect on your own practice, learn and apply that learning to the workplace

□ You'll learn

Through a range of interesting topics including child development, health and safety, safeguarding, personal development, communication, equality and diversity and schools as organisations.

You will need to complete 11 mandatory units.

□ Expect

You will need to be able to show competence in both skills and knowledge and be working or be on a voluntary placement during the course.
