

## LPG Gas Training & Qualifications

We provide full training and assessment for a wide range of LPG Gas qualifications. You may also undertake a refresher course or introductory training prior to assessment if needed in our state-of-the-art training facilities at Cornwall College Camborne.

Training is charged at £100 per day on gas and oil courses. Training is not a prerequisite to assessment, you may just book onto an assessment and certification programme.

**CONGLP1/PD** Changeover from Natural Gas (initial assessment £170, re-assessment £155)

**CONGLP1/RPH** Residential Park Homes (initial assessment £50, re-assessment £50)

**CONGLP1/LAV & HTRLP2** Leisure Activity Vehicles (initial assessment £150, re-assessment £120)

**CONGLP1/B** Boats (initial assessment £85, re-assessment £60)

The above prices are for assessment only; certification charge is from £42 - £72. LPG on-site guides are also available at £28.
