

Barbering Diploma Level 3

If you are already qualified to a level 2 standard and looking to upgrade your qualification, then this course will help you to progress in your career as a barber. Not only will you develop your existing skills but you will also learn how to design and create a range of facial hair shapes and provide shaving services.

Our courses will put you on the road to a great future; we have developed our qualifications in partnership with industry professionals to ensure that the knowledge you gain is not only relevant and current, but will set you apart in the workplace.

Throughout your studies you will learn by completing practical activities and assessments based on professional real-life scenarios in our commercial training salons. You'll also get the chance to get some masterclass insights from visiting professionals.

If you don't currently have the skills or experience needed to undertake this Level 3 course we also offer Barbering Diploma Level 2, which upon completion will allow you to progress to Level 3.
